This document is a synthetic specimen created for the ClaimCast prototype (GE HealthCare Precision Care Challenge 2026). It is not issued by any real insurer and creates no real coverage or obligation.

**Policy wording — key clauses**

- 2.1 Sum insured. The sum insured is ₹15,00,000 for the policy year, available to all insured members together on a floater basis.
- 2.2 Pre-existing diseases. Any condition diagnosed or treated in the 48 months before the policy first started is covered only after 36 months of continuous cover.
- 2.4 Moratorium. After 60 months of continuous cover, no claim will be contested except for proven fraud.
- 3.1 Hospitalisation. In-patient treatment is covered when the insured is admitted for at least 24 consecutive hours.
- 3.3 Day care. Listed day-care procedures are covered without the 24-hour minimum stay.
- 4.1 Room rent. Room rent is payable up to ₹7,500 per day.
- 4.2 Intensive care. ICU charges are payable up to ₹15,000 per day.
- 4.3 Proportionate deduction. If the room chosen costs more than the room rent limit, all associated medical expenses are reduced in the same proportion, except medicines, implants and diagnostics.
- 4.5 Implants. Implants and prosthetics are payable up to ₹1,50,000 per policy year.
- 6.1 Co-payment. No co-payment applies, except 20% for insured members aged 61 and above.
- 7.1 Pre- and post-hospitalisation. Medical expenses incurred up to 60 days before admission and up to 90 days after discharge are covered, if the hospitalisation claim is admissible.
- 9.1 Exclusions. Cosmetic or plastic surgery unless needed after an accident; dental treatment unless needing hospitalisation after an accident; obesity and weight-control treatment; self-inflicted injury; treatment outside India; experimental or unproven treatment; non-medical items listed in IRDAI List I.

|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Who is eligible</b>      | Every Indian citizen aged 70 or above, whatever their income. Age is the only test.                                                                                    |
| <b>Cover</b>                | Up to ₹5,00,000 a year for the family, on top of any PM-JAY cover the family already has; a person aged 70+ in a PM-JAY family gets an extra ₹5,00,000 for themselves. |
| <b>Premium</b>              | None. The scheme is fully paid for by the government.                                                                                                                  |
| <b>Where</b>                | Cashless at any PM-JAY empanelled hospital, public or private, anywhere in India.                                                                                      |
| <b>What is paid</b>         | Fixed package rates from the Health Benefit Package list (1,949 procedures), covering the stay, surgery, medicines, tests and implants in the package.                 |
| <b>Before and after</b>     | Tests and medicines up to 3 days before admission and 15 days after discharge.                                                                                         |
| <b>Pre-existing illness</b> | Covered from the first day. No waiting period.                                                                                                                         |
| <b>Other insurance</b>      | A person with private health insurance may also enrol. A person covered by CGHS, ECHS or CAPF schemes chooses either that scheme or Vay Vandana.                       |
| <b>Not covered</b>          | Out-patient visits and tests that do not lead to an admission; cosmetic treatment.                                                                                     |

## How to use it

1. At an empanelled hospital, go to the Ayushman Mitra desk with the card and Aadhaar.
2. The hospital checks the card and requests approval for the package. No payment is taken for covered care.
3. If the stay is not a listed package, or the hospital is not empanelled, the private policy can be used instead.

This page is a synthetic specimen prepared for the ClaimCast prototype. It is not a government document, card or certificate and cannot be used to obtain treatment. It summarises the publicly announced terms of Ayushman Bharat PM-JAY Vay Vandana (2024) for a made-up beneficiary.
